Description

The proposed UP Mindanao College of Science and Mathematics Research Development and Extension (CSM RDE) Building, herein referred to as the CSM RDE Building, is the research arm of the College of Science and Mathematics. It is envisioned to produce quality research outputs but not limited to publications but also for patent products/technology for commercial applications. Moreover, the focus of research interest is interdisciplinary but not limited to the college itself but to involve the College of Humanities and Social Sciences (CHSS) and the School of Management (SOM) depending on the nature of the research activity. Such study is already on-going but in a small scale. The state of the art facility of the RDE building can also promote collaborative type of research activities within the South East Asian region. There is already some on-going efforts with the Southern Taiwan Universities such as Sun Yat-Sen and in Thailand, School of Bioresources Technology, King Mongkut University Technology Thonburi (KMUTT), Bangkok. The PROJECT shall cover the Design and Construction of the UP Mindanao CSM Research Development and Extension Building. The PROJECT SITE is located along the Maguindanaoan Road and is within the identified Academic Support (Acad-2) Zone in the ExeCom-approved UP Mindanao Campus Land Use Plan of 2016.
